

# WHY TITAN?

ADD IT UP

**You know better than us: A downed pipeline is expensive!**

At \$1,000 or more an hour, costs can quickly exceed \$24,000/day. This is unjustifiable when you are waiting for a part that may only cost a few bucks.

# 1.

**don't let downtime, get you DOWN!**

**Titan is not going to make you wait.  
We can QUICKLY ship:**

- ◆ Screens for Y-Strainers
- ◆ Baskets For Basket Strainers
- ◆ Even COMPETITOR'S Screens and Baskets

## FIVE GREAT REASONS TO CHOOSE TITAN FLOW CONTROL

**hold on...we've GOT it!**

# 3.

**During tough economic times, we know it is difficult for you to justify inventory holding costs.**

Titan's commitment to supporting its distributors is obvious. With over \$4,000,000 in stock, we've got you covered ...and dont worry, our pricing is as competitive as always!

**So let's HOLD ON during these times and we will get through them together!**

# 2.

**"press '1'  
for sales..."**

**Don't you just love technology?**

**Hasn't it made all of us so efficient?**

**So efficient that we no longer even have to pick up the phone??!**

At Titan, we *love* to embrace new technology, but not while sacrificing *outstanding customer service!*

**When you call, you will speak with a  
REAL, LIVE PERSON  
EACH TIME  
EVERY TIME**

**Titan Flow Control, Inc.**
